

# Clément Aupiais.

interaction designer.

## Experience.

### Product Designer @Qwant

October 2017 to Today

In a product design team, I worked on many R&D projects as a UX/UI Designer. I made a major contribution to the redesign of the flagship product: Qwant Search.

### Freelance Designer @BeatMe

December 2016 to September 2017

With the BeatMe team, we collaborated to create the first design of the application and a new branding and built the design process of the company

### UI/UX Designer intern @Startup Palace

March 2017 to August 2017

I redesigned the company's websites. I also worked on several agency projects.

### UI/UX Designer intern @Sportlabs

September 2015 to February 2016

I worked at Sportlabs, in London, designing websites and mobile services.

### Designer intern @Barcelona and Co

September 2014 to November 2014

I used to design and develop websites. I also worked on graphic design like logos and branding.
